### Key discussion points are noted below:

#### Stakeholder Meetings

- Share notes and maps with working committee

#### Survey and Input Maps

- Do we want to change any of the neighborhood names?
- Like the simplicity of the survey and the graphics
- Add description under the emoji faces
- Run the printed survey through a grey filter to make sure colors are visible for all users
- Remove cane from retired icon
- Change to "Gener Non-binary", non-conforming may be confusing

- Update work icon to be more inclusive, such as a briefcase and a shovel
- Update web survey to match paper “I have a bike” and I have a car”
- Add to statement at top of web map “click on what you just added
- Add a tutorial guide on using the web map

#### Other

- Susan will reshare links to documents and notify committee members when the public engagement schedule has been set
- Reminder to put article in quarterly newsletter
